Describe the educational and informational objective of the program and how it meets the definition of Core Programming

WINX CLUB utilizes fairy castles, magical caverns and timeless villages as a backdrop for coming-of-age lessons, group problem-solving, cooperative investigations and the important social and emotional learning opportunities that children need to develop the valuable emotional competencies of resilience, empathy and self-confidence. In each episode, as a conflict arises, the fairies pool their unique capabilities to find a solution comprised of the sum total of their special talents. Life scenarios that commonly worry children, from feeling vulnerable and powerless to being lost or separated from loved ones, are enacted throughout the series and a variety of practical behavioral solutions are presented. WINX CLUB promotes the development of social skills, with actions such as speaking kindly to others, doing good for one's community, and managing anger appropriately, integrated into the show's humor. These social competencies are now considered legitimate and necessary objectives of school curricula. The program is regularly scheduled and air between the hours of 7:00am and 10:00 pm. The program is 30 minutes in length, and is identified as an educational and informational show, targeted to 6 - 11 year olds, at the beginning and through each broadcast and in listings provided to publishers of program guides.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming

"Saved by the Bell" is a weekly television series targeted to teens 13-16 years of age, which explores social themes and coping strategies through the daily school life of six teen-aged friends at Bayside High who help each other make the most of growing up in a complicated world. The multi-ethnic cast members serve as role models for young teen viewers as they deal with such issues as the death of a loved one, the right to say "no," the meaning of heroism, teenage alcohol use and other issues of particular concern to young teens. The show is 30 minutes in length and is regularly scheduled between the hours of 7am and 10pm. The program is identified as an educational and informational program, targeted to 13-16 year olds, throughout the broadcast and to publishers of program guides.

Non-Core Educational and Informational Programming

5. Complete the following for each program that you aired during the past three months that is specifically designed to meet the educational and informational needs of children ages 16 and under, but does not meet one or more elements of the definition of Core Programming. See 47 C.F.R. §73.671. Complete chart below for each additional such educational and informational program.
 [There are no analog non-core program reports.]

Sponsored Core Programming

6. List Core Programs, if any, aired by other analog stations that are sponsored by the Licensee and that meet the criteria set forth in 47 C.F.R. §73.671. Also indicate whether the amount of total Core Programming broadcast by another station increased.
 [There are no analog sponsored core program broadcast reports.]
 [There are no analog sponsored core program detail reports.]

Digital Core Programming

- | | |
|--|--------------------------|
| 7. (a) State the average number of hours of Core Programming per week broadcast by the station on its main program stream. | 4.50 hours |
| (b) Did the Licensee broadcast on its main digital program stream the same Children's Core Programming provided on its analog channel? | Y |
| (c) If Yes to 7(b), the Licensee certifies that the representations and children's program information provided with respect to its analog channel apply equally with respect to its main digital program stream.
If No to 7(c), submit as an Exhibit a Statement of Explanation. | Y

(None Required) |
| 8. (a) State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream. | 0.00 hours |
